

# SENIORS!

We wish you an amazing summer and time to prepare for Senior year!

Summer means time to start shopping for your YRB gown!

The Ball isn't until the Spring, but we want to remind you to start looking for that special dress now. Just a few things to remember when looking and remember to not purchase any dress until it's been approved. That means you must text or email us a full photo of you in the dress front and back. Please do not cut out your face. We want the full view to determine if it's appropriate and for our records. Also, be aware that we have quite a few seniors every year, so a lot will be coming in and we can't have them all look alike.

Here are the requirements for the Senior Yellow Ball Dresses:
